

Subscribe to Orthopod

Last Updated Sunday, 11 March 2007

To subscribe simply enter your email address below:

Subscribe to Orthopod

Email:

- Covers all orthopedic topics including adult reconstruction, trauma, foot & ankle, shoulder & elbow, paediatric orthopedics, spine.

NOTE: Each list that you subscribe to will mail a confirmation message back to you and will ask you to click on the link in the email message to confirm your subscription. You will need to enter your current position, institution/company and reason for joining Orthopod.

You will then get one last message from Google Groups, and it is suggested that you SAVE this message, as it contains instructions about how to unsubscribe yourself, how to use the list's help features, and how to contact the human owner of the list. After this confirmation process is completed, you will be subscribed to the list and will receive all e-mails sent to the list by its members.

These mailing lists are maintained by the Internet Society of Orthopaedic Surgery and Trauma (ISOST).
