

## Total Knee Replacement From Saint Mary's Medical Center

Last Updated Sunday, 01 October 2006

On Wednesday, October 18, at 6:30pm Central Daylight Time, the Duluth Clinic and St. Mary's Medical Center in Duluth, MN will present a live webcast of a total knee replacement procedure. Duluth Clinic Orthopaedic Surgeon Bradley Edgerton, MD, will be performing the knee replacement. His colleagues, Duluth Clinic Orthopaedic Surgeons Tom Patnoe, MD, and Jeff Klassen, MD, will serve as co-moderators. Wendy Lane, Joint Replacement Nurse Clinician will help describe the procedure and what patients can expect both preoperatively and in rehabilitation.
