

## Minimally Invasive Primary Total Knee Arthroplasty

Last Updated Sunday, 09 July 2006

Orthopedics: See a "Minimally Invasive Primary Total Knee Arthroplasty" in a live webcast on March 23, 2003, at 7:00 p.m. EST from the Tift Regional Medical Center in Tifton, Georgia. The surgical presentation will demonstrate the latest evolution in TKR techniques using smaller instruments to allow smaller incisions. Jim Scott, MD, founder and president of the Georgia Sports Medicine and Orthopedic Clinic will perform the surgery and Keith Berends, MD, from the Joint Implant Surgeons in Columbus, Ohio will moderate the program. This activity is sponsored by the University of Medicine & Dentistry of New Jersey (UMDNJ) and the Center for Continuing and Outreach Education (CCOE). UMDNJ-CCOE designates this activity for a maximum of 1.0 category 1 credit toward the AMA Physician's Recognition Award.
