

Arthroscopic Rotator Cuff Repair

Last Updated Sunday, 09 July 2006

Orthopedics:

Methodist North Hospital in Memphis, Tenn. will broadcast the first-ever live surgical Webcast in the Mid-South on Thursday, May 20 at 4 p.m. CDT (21:00 UTC). Bret Sokoloff, M.D. with Memphis Orthopaedic Group will perform an arthroscopic rotator cuff repair, while narration and commentary will be provided by John Lochemes, M.D., also with Memphis Orthopaedic Group. Rotator cuff repairs are one of the most common reasons for shoulder pain in people over 40, but it is not necessarily a plight of just the middle-aged. [View Webcast](#)
