

State-of-the-Art Knee Replacement Surgery From St. Mary's Hospital, Madison, WI

Last Updated Monday, 14 January 2008

On Tuesday, January 22, 2008, St. Mary's Hospital and two members of the DeanOrthopedic physician team will offer viewers the opportunity to see a totalknee replacement surgery up close. The procedure will be broadcast live overthe internet on OR-Live.com from4:00-5:00 p.m. Central Standard Time from one of St. Mary's 18 brand-new,high-tech operating rooms which opened the first of the year.

This total knee replacement procedure will be performed by Dr. David Wolff. Dr. Wolff is one of the area's leading orthopedic surgeons having completed over 450 hip andknee replacement surgeries in 2007.

Commentary will be provided during the surgery by Dr. Richard Glad, Chairman of the DeanDepartment of Orthopedics. Also a very busy and successful orthopedic surgeon,Dr. Glad's patient list includes athletes such as John Powless, one of the top-ranked players in the International Tennis Federation's men's 75+ age category.
