

AAOS 2008 Electronic Skills Pavillion Presentations

Last Updated Tuesday, 11 March 2008

I have made several of the talks from the AAOS 2008 Electronic Skills Pavillion available online.

[Finding Orthopaedic Knowledge Online](#)

[Search Engine Marketing for Your Practice Website](#)

[Inbox Zero - Managing Email Overload](#)

If you are interesting in see additional presentation on orthopaedic informatics then checkout the Workshops area from the main menu. I will be adding additional presentations and topics.
