

## USF Hand Surgeon

Last Updated Sunday, 31 August 2008

The Department of Orthopaedics & Sports Medicine at the University of South Florida College of medicine is seeking a talented physician to expand in the area of Hand surgery at the rank of Assistant Professor or Associate Professor. This position will direct hand sub-specialty education for the USF Orthopaedic Residency Training Program.

Our goal is to attract academic orthopaedic surgeons with an entrepreneurial, creative and energetic spirit. We are building a forward-thinking academic program that will serve the beautiful Tampa Bay Region.

Please send CV and letter of interest to Robert Pastizzo, USF Health, 3500 East Fletcher Avenue, Suite 511, MDC 106, Tampa, FL 33613 - [rpastizz@health.usf.edu](mailto:rpastizz@health.usf.edu) and copy Ann Joyce [ajoyce@health.usf.edu](mailto:ajoyce@health.usf.edu) or fax to 813-396-9195.
